

# KAPKIRWOK RESTORATION PROJECT

PHASE I

## TREE NURSERY ESTABLISHMENT

# KAPKIRWOK RESTORATION PROJECT

PHASE I  
TREE NURSERY ESTABLISHMENT

# KAPKIRWOK RESTORATION PROJECT

DAY 1 HIGHLIGHT

# Laying the Foundation for Restoration

## KAPKIRWOK RESTORATION PROJECT

### Why It Matters:

“This nursery is more than a structure —  
it’s a symbol of resilience and renewal.”

### Seedlings with a Purpose:

**Indigenous Trees**

for ecosystem & riparian restoration

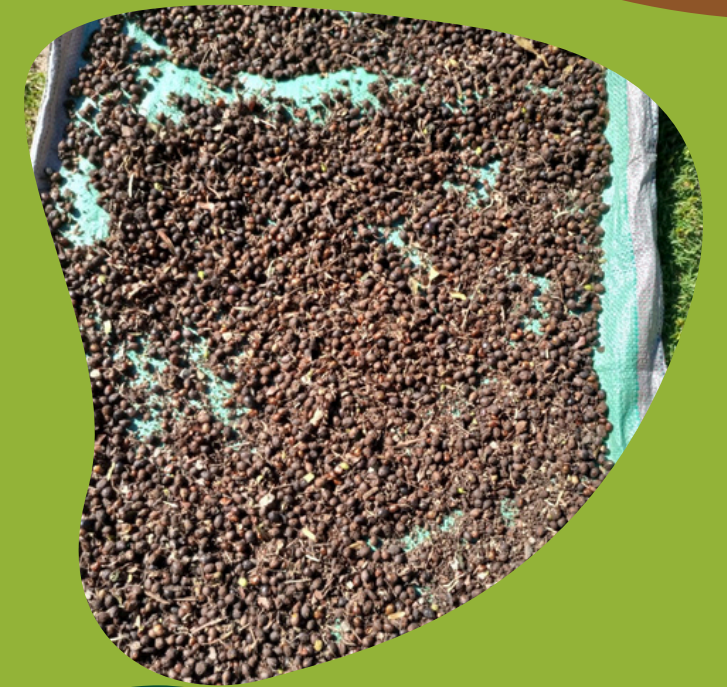

**Indigenous**

**Fruit**

**Coffee**

## DAY 2

### ACTIVITIES

- Measuring the site
- Kids engagement

**“Laying the groundwork for a thriving restoration journey. Every meter measured brings us closer to a greener, resilient future”**

DAY 2

Praise Jeptoo

**"When children like Praise plant seeds, they grow roots of hope, care, and responsibility for the Earth."**

# DAY 3

Seed beds

Seed beds
